

| Day/ hour | Event | Topic | Referent | Remarks |
|---------------|--------------|---|--------------------------------------|----------------------------|
| 9.9.19 | | | | |
| 8:30 | Entry | | | |
| 9:00 | Opening | Opening speech by the Presidents of the Polish association PNSWK and IOB | Marcin Gasiorowski Stefan Meier | |
| 9:30 | 1st lecture | Unexpected consequences of care measures and algicides | Wolfgang Wesner | Preparation for workshop A |
| 10:00 | 2nd lecture | Hygienic quality of natural swimming pools (NSP), part 1 | Susan Petterson | Preparation for workshop A |
| 10:30 | coffee break | | | |
| 11:00 | 3rd lecture | Hygienic quality of natural swimming pools (NSP), part 2 | Susan Petterson | Preparation for workshop A |
| 11:30 | 4th lecture | Sparse growth of underwater plants in swimming ponds, how can sufficient C supply be achieved | Prof. Dr. rer. nat. Ulrich Martin | Preparation for workshop A |
| 12:00 | 5th lecture | DANA 2.0 and statistical evaluations | Stefan Bruns | Preparation for workshop B |
| 12:30 | lunch break | | | |
| | | | | |
| 14:00 | Work shop A | Discussion: what belongs to a swimming pond, what not | Udo Schwarzer | |
| 14:00 | Work shop B | DANA, set up a project | Hannes Kurzreuther | |
| 14:00 | Work shop C | Research and lobbying. Requirements and coordination for upcoming years. Discussion | Stefan Meier | |
| 15:30 | coffee break | | | |
| 16:00 | minutes | Results from workshops | | |
| 16:30 | 6th lecture | New french legislation of public swimming ponds | Dirk Esser | |
| 17:00 | 7th lecture | Pseudomonas aeruginosa in natural pools | Hannes Kurzreuther | |
| 17:30 | End | | | |
| | | | | |
| 20:00 | „Gala Diner“ | | | |

| Day/ hour | Event | Topic | Referent | Remarks |
|--------------|-------------------|---|---|---------|
| 10.9.19 | | 2nd conference day | | |
| 8:30 | Entry | | | |
| 9:00 | 8th lecture | Natural swimming pool filter. What goes in, what comes out | Tanja Brunner | |
| 9:30 | 9th lecture | Influence of biofilms on phosphorus uptake, part 2 (part 1 was presented in Leeuwarden) | Marcin Gasirowski | |
| 10:00 | 10th lecture | Macro- and Micronutrients in the swimming pond - optimised growth of higher plants to minimise algae growth | Prof. Dr. rer. nat. Ulrich Martin | |
| 10:30 | coffee break | | | |
| 11:00 | 11th lecture | Fluorescence of chlorophyll as a tool to access the degree of eutrication of aquatic systems | Prof. Mohamed Hazem-Kalaj | |
| 11:30 | 12th lecture | Technical and design development in swimming ponds in Belgium | Guido Lurquin | |
| 12:00 | 13th lecture | Zoo-plancton or biofilm - two different strategies to clean water | Franz Kubacek | |
| 12:30 | lunch break | | | |
| | | | | |
| 14:00 | IOB AGM | Annual General Meeting IOB | board of directors IOB | |
| 15:30 | coffee break | | | |
| 16:00 | 14th lecture | Plant selection according to ecological criteria | Claudia Schwarzer | |
| 16:30 | 15th lecture | Where the (bathing) fun stops | Wendelin Jehle | |
| 17:00 | PONDY AWARD | Report to the general meeting and presentation PONDY AWARD | | |
| 17:30 | End | End of conference with proclamation of the next location for the 11th international conference 2021 | | |
| 11.9.19 | Round Trip by bus | water projects in and around Warsaw | Polish swimming pond association PNSWK | |
